Important Update: The State of Hawaii Pre-Travel Testing Program is set to begin this Thursday, October 15th. This will allow mainland travelers the ability to bypass the 14-day quarantine program and move around the island during their stay on Maui. The information from the State and County governments on the pre-travel program is as follows. Please note, this is subject to change at any time, and individuals travelling to Maui should refer to official government sources for the most current and accurate information.

A new App will be used for Pre-Travel Screening and will work like this:

1. Travelers will download the App prior to departure and upload their personal information, photograph, flight schedules and COVID test results into it. This will generate a QR Code unique to the traveler.
2. The QR Code will then be scanned by either the airline or State officials (or both) upon departure and arrival, and the traveler instructed on their ability to move around the island or their need to quarantine.
3. The App provides those with the ability to scan the QR code one of three responses: Green – traveler has completed a pre-travel test and has the all-clear to move around the island
   Yellow – the traveler has not tested, or has a test yet to be certified, and must quarantine until such time as the results are received, uploaded and clearance given
   Red – the traveler has tested positive for COVID-19 and must be quarantined immediately

Effective October 15, 2020, the Wailea Tennis Club Policy on Out-of-State and Inter-Island Visitors:

Travelers arriving prior to October 15th: display a boarding pass for each guest showing arrival at least 2 weeks prior and therefore the completion of the 14-day quarantine program.
Travelers arriving **on or after October 15th**: Each guest must present their Safe Travels App QR Code to a staff member upon check in, showing either "NO" beside the "In Quarantine" field, or the date their quarantine was completed as shown in the "Date Quarantine Completed" field. The date quarantine is completed must be prior to your date of play.

Currently, the Quarantine Bypass program is not available for **Inter-Island Travel**. Any visitors from Oahu or the other outer islands will be ordered to undergo the 14-day quarantine, including those who’s trip originated on the U.S. mainland. The Inter-Island quarantine is currently effective through October 31st.

The Wailea Tennis Club continues to strictly follow the established guidelines of social distancing, hand washing, wearing of face coverings, personal sanitization, and local area/touch point sanitization as the best defense against any virus transmission. All guests and staff must wear appropriate face covering at all times in specified areas, as noted by our Face Covering Required signage. This includes arrival to the clubhouse, the pro shop, locker rooms, and shared outdoor spaces.

We're excited about these positive steps towards re-opening Hawaii to our valued visitors, and looking forward to welcoming you back to our beautiful facility!

While the emergency restrictions have been challenging for many, we know they've also helped ensure this public health crisis has not been as disastrous as it could've been. Our heartfelt *mahalo* to our public officials, first responders and health care workers, and to everyone in our community for your help and support.

For the health and well-being of all persons at our courses, we have implemented a number of operational procedures in compliance with County and State requirements. Here's some important information you should know:

- For the time being, the Wailea Tennis Club is open Monday – Friday 7 am – 12pm, noon, and 3 pm – 6 pm. Saturdays and Sundays 7 am – 12 pm, noon, only.
- Face coverings are **required** for all guests and staff. Please be sure to bring one with you.
- Social distancing – at least 6 feet apart – should be followed at all times.
- All non-members are required to sign in at shop prior to play!
- Water coolers on court are not currently allowed; please come prepared to keep yourself hydrated. We do sell water and Gatorade in pro shop should you forget to bring your own.
- Due to limited staffing, lessons and clinics will have to be scheduled based on staffing and availability.
- For everyone’s safety, please avoid loitering before and after play
- Please read the COVID-19 Safety Practices and Procedures included in your email confirmation for more information.

WHAT WE'RE DOING FOR YOUR HEALTH & SAFETY

We're committed to providing a safe environment for our customers, staff and other visitors. In addition to various operational and on-court modifications:

- Our restrooms and high-touch areas are disinfected regularly.
- Courtside furniture are disinfected at least 4 times per day.
- The number of guests allowed at any given time inside the pro shop is strictly limited.
